

## **iGuider ASCOM Release Note**

### ***2020-12-02 V1.1.2.0***

#### **New features:**

Added support for standalone guiding camera "iOptron iGuider 1".

#### **Optimizations:**

Initialization is more reliable.

### ***2020-10-26 V1.1.0.0***

#### **New features:**

Updated to ASCOM Camera Interface 3.

#### **Bug Fixes:**

Sometimes after camera initialized, the exposure time and gain are not agreed with the preset value. In rare cases, the camera refuse to change exposure time and/or gain.

#### **Optimizations:**

Change exposure time and gain will take effect faster.

Overall performance optimization

### ***2020-08-04 V1.0.0.0***

#### **Initial Release**
